---

To all our clients, employees, and business partners,

**We are excited to announce the addition of Adv. Lee Golan, to our firm's partnership as a partner in the commercial department.**

Lee represents clients in a wide range of transactions, investments, venture capital and private equity, as well as merger and acquisitions, and provides our clients with legal services in various aspects relating to corporate, commercial and privacy laws and regulations.

Lee has demonstrated remarkable accomplishments, expertise, excellence, and diligence while providing legal consultation to our clients throughout the years she has been employed in our firm.

We see great importance in continuing promoting exceptional lawyers in our firm in the business field, and mainly in the field of mergers and acquisitions in Israel, all the more so during this challenging period.

**Together we will continue providing legal services, resilience and professional support to our clients.**
